ETM Scholarship

Recognizing the need for skilled technicians to meet the demands of today's manufacturing industries, the Longview Economic Development Corporation and its CEO and HR groups have created the East Texas Manufacturers Scholarship Program. Today's manufacturing jobs require college education and training. Scholarships are available to students pursuing **Associate of Applied Science degrees** in manufacturing technologies that lead to high paying careers in a labor market where the demand for highly skilled technicians is growing. **Scholarship is valued at \$6,000 (\$1,000 per semester for 6 semesters).**

Scholarship Guidelines

Award Recipients Must:

1. be high school graduates with a minimum 2.50 Grade Point Average (GPA) on a 4.00 scale;
2. have attended and graduated from a high school within a 50 mile radius of Longview, Texas;
3. must enroll in and maintain enrollment in a program of study leading to an Associate of Applied Science degree that is approved by the East Texas Manufacturers Scholarship Consortium;
4. maintain a full-time academic load of at least 12 credit hours per semester and attend college continuously until graduation, with the possible exception of the summer semester;
5. maintain satisfactory academic progress as defined by the institution of higher education (e.g. complete at least 75 percent of courses taken), including maintaining a 3.00 GPA (on a 4.00 scale) in college studies to continue to receive

the East Texas Manufacturers Scholarship;

6. agree to share academic progress information with members of the East Texas Manufacturers (ETM) Consortium.

Other Information:

- ◆ special consideration will be given to children of employees of Consortium members through a weighted scale selection process;
- ◆ students must agree to participate in mentoring activities;
- ◆ scholarship amounts may be reduced to account for federal financial aid received by the student;
- ◆ scholarships are awarded based on a merit-based selection process.
